# POST CARD

252

Dear Rosa thought  
you would like the card  
any way if it was not  
sent from Charlotte.  
I did not wash or have  
a teacher I felt more  
like resting Juanita  
had her first day in  
school. And she is  
making examples at  
night - hope you are  
all well. Must fix the  
girls bed. with love  
to all Anna.
